THURSDAY EVENING, MAY 2.

THE EXHIBITION AND CONCERT At Liberty Hall last night, given by the Sanday School of the M. E. Church South, was, as promised, a most decided success. The hall was packed to its utmost capacity, realizing, in a financial point of view, the most sanguine expectations of the friends of the school. The programme was made up almost entirely of new pieces, which were brought out in a really meritorious style. The entire performance, including the singing, under the direction of Mr. J. T. Cooke, was well worth the price of admission, and reflects great credit on the taste of th managers. The reporter is not disposed to cause jealousy among the little ones by publishing names, or deciding on the superior merits of any of the many well acted pieces for where all was so well done, praise is due to each in turn. The costumes were, in many cases, elegant; and the acting so natural that the audience were frequently deceived into a momentary belief that the memory of the performers had failed them at a critical moment. We take from the "School Statistics," brought out in the course of the evening's performance, the tollowing figures: The average attendance of teachers is 33; and of scholars, 250. There is besides the central school at the Washington street church, a school at the Village Chapel, a school at West End, and a school at Cameron Chapel, making in all four Sunday Schools un der the management of the Methodist Episcopal Church South. The exercises of the even ing were opened with an appropriate prayer by the Rev. Mr. Munsey, with harol A a tomer thank Agents.

SECOND WARD REPUBLICAN CLUB. - A large meeting of the Republican Club of the Second Ward, was held last night in the school house, on Orococo street, between Pitt and St. Asaph. After a prayer by the Rev. Henry ning of the Eastern Shore road during the termined to close out his entire stock, even at a Makern, colored, the assemblage was address- current year. ed at considerable length by a colored speaker from Georgetown, named Lomax, who advised his hearers to sustain the Radical party and

MAY BAIL .- The May ball, given last night, at the Assembly Rooms, by the members of Sarepta Lodge No. 46, I. O. O. F., was a most agreeable affair, and the managers deserve great credit for the style in which it was conducted. There was a slight delay in the arrival of the music, which was, however, fully compensated for before the evening's entertainment was concluded.

FOURTH WARD REPUBLICANS .-- At a meeting of the Republicans of the Fourth Ward, held last night, in Bethlehem Church, colored, on Columbus, between Wikes and Wolfe streets, which was numerously attended, a "Stevens Republican Club" was formed, and its temporary officers elected. After the transaction of some other rotine business the meeting adjourned, to meet again next week.

FELL OVERBOARD. Mr. Lamsford, the First Mate of the steamer John Gibson, while boarding that steamer last night, about eleven o'clock, accidentally fell overboard. He was rescued without sustaining any serious injury.

CHOLERA. - The N. Y. Sun is uneasy over the announcement that cholera has already made its appearance in three! of the largest cities of the United States and that it is likely to extend in various directions. The editor says: "Let these timely warnings of cholera be heeded, and let every one earnestly endeavor to attain a standard of domestic cleanliness that will insure safety from fearful epidemic. Some wards of this city are at present in a deplora-ble condition, and it allowed to remain so, there is imminent danger to the whole city. If the public could only be persuaded of the immense value of prevention in this matter, as compared with cure, a vast deal of good work would speedily be accomplished."

General Spinner, U. S. Treasurer, has signed the new three per ets. amounting to \$50,000,-000 in all, and they will be immediately issued. They are in the denominations of five thousand dollars, and ten thousand dollars, very handsomely gotten up, the cutire work being done in the Treasury Department. The engraving is exceedingly well executed, and the vignette likeness of Mr. McCulloch is the most truthful portrait of the secretary extant.

At Charleston, on Saturday last, during the procession of the firemen there, who were ordered to carry the United States flag in line, it is charged that some one cut a piece out of the flag. A man named S. Calhoun Smith was arrested, and sent to Castle Piackney, who, it is added, confessed the offence.
